Paragraph Worksheet for **Writing & Speaking**

Paragraphs are groups of sentences that have a single idea. A paragraph typically includes:

Structure of a paragraph

For example:

- Topic Sentence	→ Horses are farm animals.
- Supporting Sentences	→ They are usually black, grey, white or brown in colour.
	→ They like eating grass. They have long legs, which
	→ are very strong. They can easily run long distances.
	→ Horses have hard hooves which protect their feet.
	→ They carry people and goods from one place to another.
- Concluding Sentence	→ They are very useful animals.

- **Topic Sentence:** Write a sentence that states the main idea or topic of a paragraph.
- **Supporting Sentence:** Write facts or descriptions that relate to the topic.
- **Concluding Sentence:** Re-word the introduction to sum up the ideas in the paragraph to bring it to a close.

TOPIC: Imagine if you lived as one of the last
unreached people in the rainforest.

- Tip:**
- Describe your daily routine.
 - What do you think it would be like to live in the rainforest?
 - How would you get food? Do research on the rainforests.
 - How would you get your clothing or housing?
 - Would you like to live there? Explain your answer.

Sample:

- **Topic Sentence:** If I lived as one of the last unreached people in the rainforest, it would not be as easy to live.
- **Supporting Sentences:** To get food, I would do farming vegetables and animals like pig, chicken or cow. This is because there are not many animals to eat in the forest. Most animals are either too strong to hunt or uneatable. On the other hand, it is easy to grow certain types of vegetables, such as rice, wheat and fruit. Women would be in charge of making clothes and I would live in a bamboo house. I don't want to live there because there would be no electricity. This would make my life very hard.
- **Concluding Sentence:** Although it would be a new experience, I would not want to live there because it would be hard.

Topic: Imagine if you lived as one of the last unreached people in the rainforest.
