## Paragraph Worksheet for **Writing & Speaking**

Paragraphs are groups of sentences that have a single idea. A paragraph typically includes:

Structure of a paragraph

For example:

- **Topic Sentence:** Write a sentence that states the main idea or topic of a paragraph.
- **Supporting Sentence:** Write facts or descriptions that relate to the topic.
- **Concluding Sentence:** Re-word the introduction to sum up the ideas in the paragraph to bring it to a close.

**TOPIC: Describe your idea of the best party possible.**

- Tip:
- Where and what time would it be held?
  - Who would you invite?
  - Who or what has to be there to make it the best party?
  - What would be the budget to make your idea come true?

Sample:

- **Topic Sentence:** The best party for me would be at a beach resort.
- **Supporting Sentences:** I would like to have a summer beach party with my best friends. I would want to have my party at a beach resort because there are many fun things that I can do there. I can swim at the beach or in the pool and I can have lots of tasty foods. To make it the best party, I would need my favorite group, Maroon 5, to be there. If Maroon 5 was at my party, it would perform all of its best songs and it would be very fun. Since the group are so famous, it would be very expensive for the group to be at my party. But without Maroon 5, it cannot be the best party.
- **Concluding Sentence:** To sum up, my dream party would be at a beach resort with my best friends and Maroon 5.
