Paragraph Worksheet for **Writing & Speaking**

Paragraphs are groups of sentences that have a single idea. A paragraph typically includes:

Structure of a paragraph

For example:

- Topic Sentence	→ Horses are farm animals.
- Supporting Sentences	→ They are usually black, grey, white or brown in colour.
	→ They like eating grass. They have long legs, which
	→ are very strong. They can easily run long distances.
	→ Horses have hard hooves which protect their feet.
	→ They carry people and goods from one place to another.
- Concluding Sentence	→ They are very useful animals.

- **Topic Sentence:** Write a sentence that states the main idea or topic of a paragraph.
- **Supporting Sentence:** Write facts or descriptions that relate to the topic.
- **Concluding Sentence:** Re-word the introduction to sum up the ideas in the paragraph to bring it to a close.

TOPIC: What is the one item you want to have?

- Tip:**
- What do you want? Is it realistic?
 - What made you want to have it?
 - If you had it, what would you do with it?
 - If you could buy it, how much does it cost?
 - By when do you think you can have it?

Sample:

- **Topic Sentence:** The one thing I want is a mini-fridge.
- **Supporting Sentences:** A mini-fridge is a small refrigerator. First, I want my own mini-fridge in my room because I want to have my own food and drinks for myself. I want to store candy, lunch, meat, and soda in it. Sometimes my brother steals my snacks, so I need a hiding place for myself. Second, a mini-fridge is good because it is small so it fits in my room. My room is not very big and will not have enough space for a normal refrigerator which is too big. I think a mini-refrigerator will cost around \$300. However, I don't think I can get this in the near future. I will maybe get it when I have my own house.
- **Concluding Sentence:** So, I want a mini-fridge because I can store my snacks and it is compact.
