It is difficult to deny that different types of media have completely changed mankind's lifestyle. Among all the media, movies and TV have the closest relationship with people. These two media outlets have a great effect on people's one-on-one relationships,

 (Listen Carefully : _____)
 _____)

First, topics regarding movies or TV shows always smoothen communication. These two media forms become a common interest for people who enjoy them. When I am with my friends, we normally talk about the TV shows we watched the night before. My friends watch the program if it is popular and it makes our conversations abundant. We tend to talk about the main character of a TV series or we sometimes talk a lot about celebrities. TV shows become a great topic to talk about when I meet a new friend and we have nothing to talk about.

 (Listen Carefully : _____
_____)

Secondly, everyone must have experienced an emotional change according to the content of the movie or the TV program. People watching the movie or the TV program may feel depressed, scared, or happy, according to the content. Not long ago, I watched a movie called 'Silver Linings Playbook'. During the two hours of playtime, I experienced comfort for my depression and gained a new hope to overcome any hardship. As such,

 (Listen Carefully : _____
_____)

Lastly, movies and TV may increase knowledge of the people who watch them. Media acts as a means to transmit information. TV News and other educational programs such as EBS have high viewing rates. Educational movies and documentaries transmit information directly to their viewers. Without much effort,
