| 10. sweep | to clear the floor of dirt or dust. |

The script must be played at least three times.   

There are flies everywhere. If you go up a mountain, you are certain to see flies. If you go down by a river, you will also see flies. Even the interior of your home is not safe from flies.

 (Listen Carefully : _____

_____)

However, I think really tiny flies can fit through the holes in a screen. My parents are always after me about flies. Whenever I leave or enter the house, my mother or father yell at me to close the door right away so I won't let any flies inside.

 (Listen Carefully : _____

_____)

“Oh no,” my mother yelled. “Quick! Grab the fly spray!”
I got the fly spray and started chasing the fly around the house.

The fly landed on a window in the living room. I tried to spray the fly but missed.

The same thing happened on a mirror in the corridor. Then, I followed the fly into the kitchen.

 (Listen Carefully : _____

_____)

Mom handed me a fly swatter; not an electric one but the kind you use by hand. At my mother’s command, I started chasing the fly all around the interior.

 (Listen Carefully : _____

_____)

“Did you get it?” my mother asked.
“I don’t think so,” I replied. “I don’t see it anywhere.”

 (Listen Carefully : _____

_____)

Then, Mom got a broom and dustpan to sweep up the fly.

Listen again and answer the questions below.

1. Where are the flies?
 - A. In the cave
 - B. At the desert
