My name is Joe. I am in the third grade and the summer vacation began. The summer vacation started last weekend. My sister Sarah is very excited about this year's summer vacation. It is mid August and the weather is very hot and humid. My family will go on a very special trip this year. We will leave on the 26th of August to Jeju-do. We will travel there by ship.

 (Listen Carefully : _____

 _____)

My family and I are now in Jeju-do. This is our first trip to this island. We first went to the hotel to leave our luggage. Then we went to the best black pork restaurant at one o'clock. It was the most delicious pork that I ever had. At three my family went to the beach, it was packed with tourists from all around the world.

 (Listen Carefully : _____

 _____)

I found red and pink shells, while my sister found white shells. It was a lot of fun. Jeju-do is the most beautiful island out of the other Korean islands. People are very friendly here and they have a different accent to the people who live in Seoul.

 (Listen Carefully : _____

 _____)

It was sunny today. We went to the famous cave in Jeju-do at five o'clock; it was dark and humid inside the cave. I hoped to see bats but the tourist guide told us they do not live here anymore.

Today, my mom bought me and my sister the famous Jeju-do T-shirt, it was blue, my favorite color. My dad wanted to take us to the Jeju-do museum. The museum had many interesting facts about the jeju-do history.

 (Listen Carefully : _____

 _____)

We were starving and my dad wanted to try the famous horse meat so at the hotel restaurant my dad ordered horse meat full course.
