The script must be played at least three times.   

Do you often surf the Internet? I surf the internet for two hours a day. But my other friends surf the internet for more than three hours a day.

 (Listen Carefully : _____

_____)

There are newspapers, books, pictures and music on the internet. We find information for our homework. I used the internet for my science homework last Thursday, since we were told to find facts about atoms.

 (Listen Carefully : _____

_____)

I used the website where students can go and study and revise the things we learnt in the lesson and take quizzes about them.

I found it very useful and was even able to increase my grades effectively for history. Internet is becoming more important in our life.

 (Listen Carefully : _____

_____)

Many people also use it to find out the weather forecasts. I checked the weather for Monday and I saw that it is going to rain so I will have to carry an umbrella to my school. Also for the people who cannot access the TV they can check the news on the internet. Last Tuesday I used the internet to check the breaking news that was on at seven o'clock. My older sister likes using the internet to listen to the latest music. My older brother likes using the internet to upload his pictures on the facebook to share with his friends. My mom usually uses the internet to check the menu for our dinner and check the ingredients she needs to prepare it.

 (Listen Carefully : _____

_____)

As a consequence they didn't do very well in their mid-term exams.
