한글 뜻 ( )

4. A pentagon is a shape with 5 ( ).

한글 뜻 ( )

# Story Q & A

Story: Listen to the story at least 2 times.

Sam the Square could not go through the hole.

The hole was a circle.

All of his circle friends fit through the hole.

But Sam could not as he was a square.

“I want to be a circle” Sam said, crying.

Then, an evil circle came running after Sam.

Sam ran behind a square hole.

The evil circle could not fit.

Sam was safe! “Whew! I’m glad that I am different,” he said.
