## & Vocabulary

### Chapter 1

Pre-READING : Listen to the story and repeat it.

- 🔊 When Anne returned to the pond, there was no one around. Anne called out for her mother, but Mother Duck did not appear. She started walking without knowing where to go. When it became dark, the ugly duckling finally found a small, bright house. Inside, there were an old lady, a cat, and a chicken.
- 🔊 “Oh, it’s a duckling. Are you lost? How sad! Won’t you live here with us?” asked the old lady as she cuddled Anne. The old lady was very kind, but the cat and the chicken were very arrogant.
- 🔊 “Look at this ugly animal! Its gray feathers look like a ball of dust! Can you even fly with those small wings?” teased the chicken. “This bird doesn’t have a wonderful tail like me. Hey Ugly, can you catch mice like I can? What are you good at?” asked the cat. “I can swim very well. I can also go deep into the water,” said Anne. “That doesn’t sound very helpful. You are really useless,” said the cat with a sharp voice.
- 🔊 Anne became depressed and thought, ‘Why am I so ugly? Am I really useless like they said?’ Anne felt hopeless and decided to leave the house.
